About InFocus Entertainment

Our Company

InFocus Entertainment is a full service production company that specializes in professional wedding videography, photography and DJ/MC services. We integrate our 31 years of experience with the latest technology to create the ultimate InFocus experience.

Our Commitment

We are committed to offering top notch quality services and products at affordable prices. We pride ourselves on shooting, producing, and creating the InFocus experience that you will cherish for a lifetime.

Our Team

Our team is composed of highly trained professionals with at least 5 to 8 years experience in the wedding industry. Our primary goal is to exceed our client's expectations.

Our Equipment

We take pride in our top of the line equipment. We utilize our own cameras, up lighting, TV displays, projectors, drones, and live stream equipment to bring your wedding to life.

Destination Wedding

We will travel for you! Whether out of state or in the Caribbean, we promise to provide the best available production even if you are away.

“

I love my wedding video. Eddy is awesome; I really think he did an amazing job. I could not be happier to have all that for my memories.

— Kelly and Sean ”
